EXPERIENCE

Java & DSA Coordinator

Devup - College Tech Club

- Spearhead Java-focused learning initiatives for 20+ club members, accelerating peer readiness for technical interviews
- Guide peers in algorithmic problem-solving; improved mentee problem-solving speed by 30%
- Run weekly DSA sessions on trees, graphs, and dynamic programming

PROJECTS

LeetcodeTracker

04/2026

- Built a full-stack coding-progress tracker with real-time metrics across 100+ tracked submissions
- Tech: Java, Spring Boot, React, MongoDB, Docker

W2W Share, Enterprise Offline Encrypted P2P File Sharing

- Architected a 100% offline peer-to-peer file transfer platform using WebRTC DataChannels with AES-256-GCM end-to-end encryption
- Optimized for 10GB+ transfers with near-zero memory footprint; added Prometheus/Grafana observability via Docker
- Tech: Java 25, Spring Boot 4.x, WebRTC, WebSocket, React 19, Docker, Prometheus, Grafana

Page Pulse, Full-Stack Web Auditing & SEO Analytics Platform

- Built a full-stack auditing platform delivering real-time SEO, accessibility, performance, and security metrics for any URL
- Designed a dual-database architecture (H2 + MongoDB) with a Jsoup/Playwright scraping engine and WebSocket live progress streaming
- Tech: Java 25, Spring Boot, React 19, TypeScript, MongoDB, Redis, Playwright, Docker

SUMMARY

Computer Science student specializing in Java and Spring Boot, currently coordinating technical initiatives for a 20+ member college club. Solved 500+ LeetCode problems and improved mentee problem-solving speed by 30%. Building full-stack projects spanning REST APIs, authentication, and computer vision - seeking a Software Engineer Intern / SDE role

EDUCATION

B.Tech, Computer Science

CGPA
KIET Group of Institutions

8.27 / 10.00

2024 - Present

SKILLS

Java Spring Spring Boot

Spring Security Node.js React

Next.js Tailwind CSS MySQL

MongoDB PostgreSQL REST APIs

Git Docker Data Structures

Algorithms

KEY ACHIEVEMENTS

500+ DSA problems solved on LeetCode

Top 105 nationally - Google Solution Challenge 2025
